Shopper!

Shop online for yourself, friends, family, holidays... at NO extra cost to you and help raise money for Kim's Ark! Join iGive.com and help us by just shopping at your favorite online stores such as LLBean, Old Navy, Target, Amazon.com, REI, PetSmart, and The Ferret Store.

Foster Home

Kim's Ark is not a shelter and we always need more foster homes. If you have the time to work with rescue rats consider this rewarding job! Rats that come in the rescue come from many different backgrounds, from owner surrenders to labs. They often need love and socialization to help them realize they're cherished pets!

Quarantine Home

We always need rat-less homes to quarantine rats in. If you don't currently own any rats it would be great if you could help! If you do own rats consider fostering or spreading the word among your rat-less friends!

Transport Volunteer

Sometimes Kim's Ark has potential adoptive homes that require transportation. We could always use help in this area! If you are interested contact us and join the Rat Transport Yahoo Group.
