1 cc. - \$0.50

Nolvasan (Chlorhexidine Diacetate Concentrate)
Awesome multi-purpose solution that, when diluted, can be used to clean and disinfect cages and wounds on any animal, including humans. The only EPA-registered chlorhexidine disinfectant. Nolvasan works against at least 60 different bacteria, fungi, yeasts, and viruses. Nolvasan is non-corrosive and has minimal to no skin irritation. It retains antimicrobial activity in the presence of organic matter. Nolvasan's unique binding to skin proteins provides residual activity for as long as two days.
4 oz. (concentrate) - \$5
